Let's Go Nuts!

Welcome to the 22nd Annual SC Pecan Music & Food Festival

Saturday, November 7, 2026

Historic Downtown Florence, South Carolina

Let's Go Nuts!

About Us

In 2003, the first SC Pecan Festival was held to bring the community together in Downtown Florence for fellowship, family fun, and to celebrate one of South Carolina's favorite nuts, the pecan! Downtown Florence was chosen to expose attendees to the transformation taking place in its historic core, and the festival has since taken its place in Florence history as a time-honored and much anticipated event each fall. In 2011, the SC Pecan Festival was designated as the Official SC State Pecan Festival by Act No. 9 of 2011. Since then, the festival has been the recipient of numerous awards including Best of the Pee Dee - Best Community Festival in 2014 and 2022. In 2017, Travel + Leisure Magazine Online named the festival as "Best Fall Festival in South Carolina." In 2020, the festival underwent an award-winning brand image change to become the SC Pecan Music and Food Festival to better represent the growth and change of both Downtown Florence and the festival itself. The 2025 Festival Committee is excited to invite you to be a part of what has become the largest free festival in the Pee Dee and to GO NUTS! with us on festival day.

The SC Pecan Music & Food Festival is a one-day outdoor festival featuring big-name entertainment across 9 stages, free kids fun zone, STEM Zone, 250+ food, artisan, and retail vendors, classic car show, 5K/10K/half marathon, a pecan pub, amusement rides, a complimentary shuttle service, and of course—PECANS! The festival attracts 50,000+ visitors annually.

Historic Downtown Florence offers an ideal setting for this multi-block festival. Streets are lined with food, retail, and craft vendors, stages on each block pulse with a diverse array of music and entertainment, and the lawn at the FMU Performing Arts Center is the perfect place for our kids fun zone and STEM zone!

OUR MISSION

The SC Pecan Music & Food Festival strives to stimulate the local economy, entertain with exceptional live music, and involve the community and visitors in a fun-filled atmosphere.

The SC Pecan Music & Food Festival is guided and presented by a volunteer committee which assists in the development and implementation of the entire event. Planning takes place over a 10-month period each year and takes over 1,000 volunteer hours. The SC Pecan Music & Food Festival is a charitable program of the Florence Downtown Development Corporation, a 501(c)3 non-profit corporation.

Sponsorship Levels

Sponsoring the SC Pecan Music and Food Festival is a wonderful opportunity to get your business's products or services in front of a captive audience of 50,000 attendees each year. Sponsors of the festival return year after year because they enjoy a level of customized service, flexibility, and professional representation of their brands under the stewardship of the SC Pecan Music & Food Festival. This festival would not be possible without the investment of our sponsors. Thank you for considering the 21st Annual SC Pecan Music & Food Festival!

\$10,000

PRESENTING SPONSOR • \$10,000 **SOLD**

The Presenting Sponsor is the flagship of our sponsorship investments. This sponsorship is utilized to promote the festival throughout the community and keep attractions and entertainment free for visitors.

SUSTAINING SPONSOR • \$10,000 **SOLD**

The Sustaining Sponsor supports festival growth and diversity and helps to secure annual required services, equipment, and amenities for each festival year.

HEADLINE BAND SPONSOR • \$10,000

The Headline Band Sponsor supports the procurement of national talent that performs in the headline act position at the festival each year.

\$5,000

\$7,500

SIGNATURE SPONSOR • \$7,500

The Signature Sponsor is a sponsorship investment to support operations and promotion of the festival, helping to offset operational expenses and visitor amenities.

KIDS FUN ZONE SPONSOR • \$5,000

The Kids Fun Zone Sponsor helps ensure that our kids fun zone activities, which include games, arts & crafts, inflatables, performances, face painting, and more, remain free for festival attendees.

MAIN STAGE SPONSOR • \$5,000

The Main Stage features major regional and tribute-level talent, and is host to our headline band each year.

ARTS ON EVANS SPONSOR • \$5,000

Arts on Evans is a celebration of local art, culture, and is host to the Chalk it Up Art Contest, and public and community arts demonstrations and activities.

RUN LIKE A NUT SPONSOR • \$5,000

Run Like a Nut is the festival's 5K, 10K, and USATF-certified half marathon running race through Downtown Florence's historic neighborhoods. This beloved race receives participation from across the east coast and courses are flat and fast.

ENTERTAINMENT SPONSOR (4 AVAILABLE) • \$5,000

The SC Pecan Music & Food Festival relies on our entertainment sponsorships to secure high quality talent across 9 stages of entertainment. Sponsorships also assist with professional sound on our stages.

\$3,000

\$4,500

GOLD STAGE SPONSOR • \$4,500 **SOLD**

The Gold Stage is situated opposite of our Main Stage and features local and regional major acts.

PARK & RIDE SPONSOR • \$3,000

The PDRTA Park & Ride Sponsor helps our festival-goers ease their parking frustrations by providing professional shuttles from satellite lots to the festival gates.

CLASSIC CAR SHOW SPONSOR • \$3,000

The Classic Car Show is a must-see attraction at the festival, with over 100 participating vehicles each year. The show is run by a professional car club that receives regional participation.

COMMUNITY INTERACTIVE ART SPONSOR • \$3,000

This sponsorship helps the festival secure interactive arts elements for the festival, from specialized performers to live muralists. Activities from this sponsorship take place inside Arts on Evans.

STEM ZONE SPONSOR • \$3,000

The STEM Zone provides interactive STEM (Science, Technology, Engineering, and Math) hands-on activities suitable for tweens and teens. This area is organized in partnership with SC Commerce and exposes students to STEM related career fields and sparks innovation through interaction!
